[Ford ECAT Torrent Download](#)

The screenshot displays the FordEtis IDS web application in an Internet Explorer browser. The browser's address bar shows the URL: <http://127.0.0.1:8888/wsm/information.do?language=en&country=US&variantId=7273&type=1#nohref>. The application header includes the Ford logo and the text "FordEtis IDS". A navigation menu at the top contains tabs for Home, Vehicle, Information, Diagnostic, Services, TSB, OASIS+, FordService, Training, and War. Below the menu, a sub-menu lists various service areas: Information Summary, Mechanical Repairs, Body & Paint, Wiring Diagrams, Check Sheets, FSA, Vehicle Conversions, and Parts Catalog. The main content area is titled "Electric Motor - Plug-In Hybrid Electric Vehicle (PHEV) - Electric Motor" and features two 3D CAD models of the electric motor. The left model is a perspective view, and the right model is a top-down view. The part number "E318206" and the quantity "26." are visible below the models. A left-hand navigation tree lists various vehicle components, with "303-01B Electric Motor - Plug-In Hybrid Electric Vehicle (PHEV)" selected. The bottom of the browser window shows the Windows taskbar with the Start button, several application icons, and the system tray displaying the time as 3:00 AM on 2/7/2020.
